

# Master Core Cutting Academy

Take the guess work out of cutting forever with the Surface Core Cutting System. During this two-day academy you will learn the Surface Core principles of cutting, how to communicate effectively with your guest through a proper consultation and learn how to create, re-create and personalize each of the five Surface Core Cuts for every guest.

## What You Will Learn

- The Surface Core Cutting principles
- How to communicate effectively with your guest through a proper consultation
- Create and Re-create each of the five core cuts: The Edge (one length), Freedom (long layers), Windswept (bobbed line), Front & Center (inverted line), The Crop (short layers)

**Please Bring:** Blow Dryer, Round Brush, Combs, Clips, Shears, Razor, Water Bottle, Salon Towel.

Ticket Price includes – 2 day education ticket, Master Core Cutting Certificate of Achievement, 2 mannequin heads, workbook, and working product.
